Pan-African Conference: Celebrating 60 Years of Military Ministry in Africa

Praise God for the much-anticipated and successful AMCF Pan-African Conference, held in Abuja, Nigeria, from 18-23 September. With the theme, "Ambassadors for Christ" (taken from 2 Cor 5:17-21), participants from over 12 nations learned how to further serve Christ while serving in their nations' armed forces. We're thankful for the faithfulness of Nigerian Christians to follow through on their leading to host this event, and for the desire of participants to share Christ with their coworkers and nations.
