PRAYER NEEDS:

Praise: We are very thankful that Bibles can still be distributed despite the COVID-19 situation.

Praise to God for the great receptivity of His Word.

Pray that we will have safe travels as we share about Operation Centurion in the USA.

Pray for wisdom for these important people who touch the lives of the military:

1. Chaplain Rob Allman (2nd from left)
2. Mr. Rob Gwinner (far left)
3. COL Matthew Ziglar (far right)
4. Chief Petty Officer Magdalena Esparza

On May 5th of this year, the National Day of Prayer was celebrated in Stuttgart, Germany at Patch Barracks Chapel, and Roger was asked to be the speaker for the service!

This day is always special in that the USA is called to acknowledge our need for God's love, forgiveness, and blessing on our nation. The theme for this year was "Exalt the Lord, who has established us."

Roger shared about King Josiah establishing righteousness in the land of Judah after the scroll of the Law of God had been discovered during the renovation of the Temple. Sadly, many nations have forgotten how to live righteously before God and man, and they must be brought to repentance and placed back on the "Highway to Holiness".

Roger was also able to share about the work of Operation Centurion and Bible distribution. We love to give the Bible, "God's Scroll on how to live", because nations can be transformed as hearts are

Patch Barracks Chapel Stuttgart, Germany

healed from sin and freed to love God and each other!

Chief Petty Officer Magdalena Esparza gladly took Bibles to distribute to the German soldiers that she works with in Stuttgart.

Germany also has a day for prayer and repentance, called "Buss und Bettag", and this year it will be on November 16th.

As I write this newsletter, it is Independence Day in

America where we are celebrating our freedoms. Galatians 5:13 says, "For you have been called to live in freedom, but don't use your freedom to satisfy your sinful nature. Instead, use your freedom to serve one another in love."

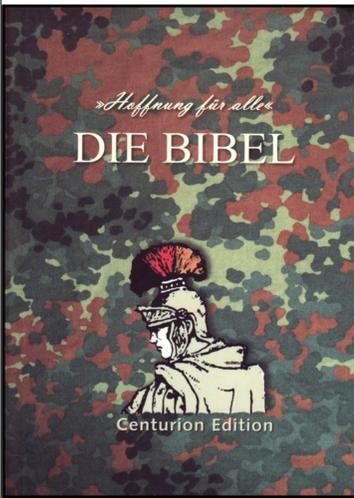

As we acknowledge our need for God's help in our nations, may we "Exalt the Lord, who established us!"

Continued requests for Bibles

We are always joyful when we receive requests for Bibles. Recently we received this e-mail from a Reserve Officer (1st LT) in the German Air Force.

"As a devout Christian, I am attending an 8 week-end course with the Lutheran Church of Bavaria to become a Lector, which will enable me to lead church services on Sundays without being an ordained minister.

In this course I met a young couple. He was with the Bundeswehr and is now in training to enter the Bavarian Civil Service. She is a Cpl and medic in the Bundeswehr. She recently came to faith in Jesus after having a dream sent by God.

Because I had previously received the Centurion Bible through a mutual friend, I would now like to present a Bible to each of these young people.

Would it be possible to send me two copies of the German Soldier's Bible? **Please keep on doing your work!**

Stay healthy and blessed by the Almighty and Merciful God!"

HUS II WEIDEN

Every year (except during COV19) the officers and non-commissioned officers meet in September to have fellowship and swap old war stories and to install new officers of the organization. Roger is an honorary member of HUS II and is honored that he is invited back each year.

The group is starting to thin out now do to illnesses and death. But as the old saying goes "Old soldiers never die, they just fade away".

How important it is to have Jesus as our personal Savior to assure our place in Heaven! It has been such an honor to give out the Bibles to our long-time friends and to give a word of testimony on God's faithfulness!

There is salvation in no one else, for there is no other name under heaven given among men by which we must be saved. (Acts 4:12) It is the precious name of Jesus!
